Powered by People. Driven by Purpose.

For your first 3 months

Email marketing made simple.

Manage your contact lists, share awesome email newsletters, send automated messages, and more. It's all here, and designed with you and your customers in mind to help you save time, build strong relationships, and drive real results.

Email Builder

Create awesome looking emails that drive action with our easy-to-use tool with drag-and-drop functionality.

List Management

Organize contacts. Segment lists, target groups with relevant messages.

Templates

Choose from hundreds of professionally-designed email templates or make your own.

Email sign up forms

Give customers an easy way to sign up for your newsletter.

AI Tools

Lost for words? Turn keywords into compelling marketing content with our AI Content Generator.

Reporting

See who's opening, clicking, and sharing your emails. Spot trends and plan your next steps.

Marketing Automations

Send timely and targeted emails - automatically - based on how your customers engage.

Landing pages

Customize your next promotion or event landing pages, equipped with a unique URL.
