During congestion, customers on most plans using >50GB/mo. may notice reduced speeds until next bill cycle due to data prioritization. Video typically streams on smartphone/tablet in SD quality (480p). 5G: Capable device required; coverage not available in some areas. Some uses may require certain plan or feature; see T-Mobile.com. **Fastest:** Based on median, overall combined 5G speeds according to analysis by Ookla® of Speedtest Intelligence® data 5G download speeds for Q4 2023. Ookla trademarks used under license and reprinted with permission. **Microsoft 365:** contact us to activate two M365 Business Basic licenses (\$6/mo. per license value) while you maintain 2+ lines on Advanced; contact us to activate one M365 Business Basic license (\$6/mo. value) for first line and one M365 Business Standard license (\$15/mo. value) for 2+ lines on Ultimate. **Business Unlimited Plans:** Capable device required for some features. Not combinable with certain offers. Switching plans may cause you to lose current plan/feature benefits; ask a rep for details. Max 6 lines. Plan not available for hotspots and some other data-first devices. **Unlimited talk & text** features for direct communications between 2 people; others (e.g., conference & chat lines, etc.) may cost extra. Some messages, including those over 1MB, use data and may be unavailable internationally. Unlimited U.S. roaming. Unlimited high-speed data is US only. In Canada/Mexico, data is unlimited at up to 128kbps speeds for Select; Advanced and Ultimate have up to 5GB of high-speed data and then unlimited at 256kbps. Not available for hotspots and some other data-first devices. **Tethering:** 5GB high-speed data for Select (50GB for Advanced and 100GB for Ultimate) then unlimited on our network at max 3G speeds. For the small fraction of customers using >50GB/mo., primary data usage must be on smartphone or tablet. Smartphone/tablet usage is prioritized over Mobile Hotspot (tethering) usage, which may result in higher speeds for data used on smartphones and tablets. **Coverage** not available in some areas; we are not responsible for our partners' networks. **Secure Wi-Fi:** capable device, app download, and subscription (included with Advanced/Ultimate; additional \$1.99/line/mo. on Select) required. **Network Management:** Service may be **slowed, suspended, terminated, or restricted** for misuse, abnormal use, interference with our network or ability to provide quality service to other users, or significant roaming. During congestion, heavy data users (>50GB/mo. for most plans) and customers choosing lower-prioritized plans may notice lower speeds than other customers. On-device usage is prioritized over tethering usage, which may result in higher speeds for data used on device. See T-Mobile.com/OpenInternet for details.
