Step 4: Select “B2B National Account Program” under the Program Filter to find ACE Hardware stores that are participating in our savings program

The screenshot displays the ACE Hardware website's store locator interface. At the top, the ACE logo is accompanied by navigation links for Shop, Services, Projects & Tips, and Savings. The main heading is "Find Your Local Ace Hardware Store". A search input field contains the zip code "03145", and a red "Find Stores" button is positioned to its right. Below the search bar, a section titled "Filter Stores By..." provides instructions: "Filter to find specific services, programs, brands, etc." This section contains several filter categories, each with a dropdown menu:

- Filter by Service:** Set to "All Services".
- Filter by Program:** This dropdown is circled in red and shows "B2B National Account Program" as the selected option.
- Filter by Brand:** Set to "All Brands".
- Filter by Department:** Set to "All Departments".
- Filter by Event:** Set to "All Events".

To the right of the filters is a map of the Albany, New York region. The map shows various geographical features and cities, with several red circular markers indicating the locations of participating ACE Hardware stores. The map interface includes "Map" and "Satellite" view options at the top.
