

WEX Fuel Card Programs

WEX offers members programs designed to track, control, and save on fuel costs. Streamline your profitability with our all-inclusive fleet and fuel management tool. Track fuel purchases effortlessly while thwarting theft with customizable settings such as driver-specific card limits and purchase alerts. Say goodbye to the headache of administrative tasks associated with fleet management and bid farewell to lost or damaged receipts forever.

Regardless of your fleet size, whether it's 3 or 30 vehicles, use the exclusive benefits of our WEX Fuel Card program to save both time and money. With no setup fees or monthly card charges, you can concentrate on maximizing your savings at the pump. Our WEX fuel card is accepted at over 95% of stations nationwide, making it the ultimate convenience for fuel savings. Enjoy not only a fantastic promotional fuel rate but also a long-lasting discount that accompanies the life of your card. Take advantage of up to **20 cents off per gallon** at top stations like Exxon Mobil, Sunoco, Phillips 66, Conoco, 76, and Shell.
