### **Suited for Success: The UniFirst Advantage**

At Savings4Members, we believe a professional appearance is key to success. The UniFirst Rental and Lease Program helps businesses elevate their brand with customized uniforms, safety gear, and accessories. Members enjoy significant savings on high-quality apparel, with services like pickup, delivery, laundering, and maintenance—all hassle-free. With up to 45% off local pricing, 25% off direct purchases, and added services like work-shirt pressing and repairs, your team can always look polished.

**UniFirst** also includes essential **Facility Service Solutions** under the same program, offering savings on items like mats, mops, shop towels, and air fresheners to maintain a clean and safe workspace. Whether it's regular upkeep or deep cleaning, UniFirst handles it all, ensuring your business stays in top shape without added effort.

The **UniFirst Corporate Apparel Direct Purchasing Program** gives you exclusive access to a customized, managed program for all your uniform and apparel needs. UniFirst will build you a complimentary custom e-commerce website to help employees purchase company-logo apparel easily. With over 40,000 brandable items, you'll save up to 35% off retail pricing, with no setup fees or logo artwork charges. Personalize apparel using in-house technologies like embroidery, silk screen, and heat transfer, ensuring your staff looks professional at a great price.
